Dear Parents / Carers,

I am delighted to be writing to you to introduce myself as the new Head Teacher at Rainbow Primary School.

With over forty years of valuable experience in education in the UK and overseas, I have been privileged to be in a leadership position as a Head Teacher an Executive Head and an Ofsted Inspector for twenty seven years. This has led me to believe that a successful and happy school depends on all of us working together.

I am passionate about Rainbow school and feel extremely proud and honoured to be its new Head Teacher. I look forward to working very closely with the Trustees, staff, parents and children to build upon the success the school has already achieved and to take the school forward in its next phase of development.

The school and its community are very important to me. I whole heartedly support the Rainbow vision, mission and values of inclusion, respect, pupil voice and a continuous passion to improve the children's learning experiences.

It is my belief that every child should have every opportunity "To be the best they can be"- in an enjoyable and safe schooling environment.

As a parent and a grandparent myself, I really value the opinions and concerns of parents and carers. Please do not hesitate to get in touch if you have any queries or concerns about your child's learning and school life. I will be more than happy to help. I hope that together, we can continue to take the school forward and make Rainbow Primary the best it can be. Thank you for your continued commitment and support towards the school.

Let us collectively reflect on the words of Carl Jung 'Your vision will become clear only when you look into your heart. Who looks outside, dreams. Who looks inside, awakens'.
