

Dear Families,

Thank you for your support, understanding and patience at this difficult time.

The Senior Leadership Team have been working hard to put plans into place to ensure that students are safe and continue to learn as best as they can.

As we await a decision if the Government chooses to close all schools for a period of time, we at Rainbow are in the process of preparing "Work Packs" including online resources to support children's learning, if they are away from school for any length of time. Further information will be available on the school's website.

Please can we have the following information:

- 1) Do your children have access to the internet at home? Yes / No
- 2) Does your child have access to a laptop/tablet? Yes / No

Thank You,

Senior Leadership Team
