

Looking forward, together

10th November 2020

Dear Parents/Carers,

Children in Need

On **Friday 13th November 2020** we will be aiming to raise funds for BBC's Children in Need and we would appreciate your help in supporting such an important and worthy cause.

Children can come to school on Friday 13th November wearing their pyjamas, some spotty clothes or spotty accessories! Your child can help to raise money for this charity by donating £1.

There will be a variety of activities throughout the day for children to take part in.

Fundraising activities that children can take part in are:

- Guess 'How many sweets in the jar?' – 20p a go
- Collection buckets in the morning and end of school to raise as much money as we can for the charity.
- Children in Need wrist bands on sale during break for £1.

We are also launching a competition for KS1 and KS2 which ties in with the theme this year - mental health and wellbeing. The information for this will be posted on Class Dojo.

All items and money will be handled following the government guidelines and within the bubbles.

Thank you in advance for supporting such an important charity and we look forward to seeing you in your pyjamas or spotty clothes!

Yours faithfully

Head of School
